St Thomas' Day Distribution

Thursday 12th December 2024, 10.30 – 11.30

The St Thomas' Day Distribution was instituted by our ancestors to benefit the widows of the Parish who were at that time, by definition, destitute having suffered the loss of the family breadwinner. This tradition has been continued and, over time, brought up to date. With effect from 2014, the Trustees are now offering a small cash grant from the St Thomas' Day charity to all older residents of the Parish who are in need. The grant will be limited to one application per household. If you are of state pensionable age, in need, and have been resident in the Parish of Deeping St James and Frognall for at least two years, you may be eligible to apply for the grant.

If you wish to apply please complete the form below and return it to The Institute by the end of November (Additional forms are available from the Post Office, Deeping St James or from our website).

Please note: We will not acknowledge receipt.

If you are unable to collect the grant in person, please provide details of the person who will collect on your behalf. When you, or your representative, come to the Institute, we will request proof of identity.

If you know of anyone else who may be entitled to a grant, please make them aware of this advert.

**DSJ United Charities may be able to help other residents in need at any time.
Our Clerk is available at the above address and all applications are treated in confidence.**

Please return the form below but retain this section for your information.
